interest (of which they are aware) in any matter being considered, they disclose that interest to
the meeting. The Council will continue to include an appropriate item on agendas for all

   Report by Director for Environment & Economy (CA6).
On 26th May 2015, the Cabinet approved the launch of a full public consultation on proposed changes to subsidised bus services and Dial a Ride. This report details the consultation process that was followed and summarises the main themes which arose throughout the consultation. Finally it offers a number of recommendations for cabinet to consider.

RECOMMENDATIONS

Delivery of the agreed Medium Term Financial Plan savings

In order to deliver the savings required in the MTFP, the Cabinet is **RECOMMENDED** to

(a) Consider the consultation feedback regarding subsidised bus services.

(b) Proceed with reducing bus subsidies by £2.3 million and:

1. Consider the consultation feedback regarding subsidised bus services and decide which services to prioritise – off-peak, peak, or other.

2. Update the methodology used for ranking services in the following ways:

   i. Include additional criteria which ensure that rurally isolated and deprived areas are also prioritised.

   ii. Agree to continue to pay for (i.e. protect in the methodology) subsidised bus routes which are used to take entitled students from home to school, where on the whole it is cheaper for us to do so, instead of paying for separate dedicated school transport. (This will vary routes available on a year by year basis as school cohorts change).

   iii. Ensure a consistent methodology by treating all providers in the same way, whether they are external providers, OCC fleet or community transport providers.

If cabinet approves this request, then approximately two-thirds of the subsidies due to be withdrawn would cease in April 2016, and the remaining third would cease in June 2016. The £2.3m savings under option 2 would be realised in financial year 16/17, assuming notice was served in November / December 2015.

The exact details cannot be finalised at this stage due to variables including whether contract renewal renegotiations are required, which could alter costs.

(c) Cease funding the Dial a Ride service as of April 2016.
Delivery of further savings subject to Council approval

(d) The withdrawal of all bus subsidies would deliver the full £3.7m savings if the cabinet makes this decision, subject to full council's approval in February 2016 to further reduce the Supported Transport budget. The full £3.7m savings, would be realised once all contract termination processes have been completed.

If Council approves this request, then the subsidies would cease at the following time:

- 50% of subsidies (59/118 services) require 17 weeks' notice and could terminate on 20th June 2016, assuming notice was served on 22nd February 2016.
- 31% of subsidies (37/118 services) require 16 weeks' notice but also require 16 weeks to modify the "Authorised Change Date". This means they would take 32 weeks to terminate. They could therefore terminate on 3rd October 2016, assuming notice to change the "Authorised Change Date" was served on 22nd February 2016, and notice to terminate the contract was served 16 weeks later on 13th June 2016.
- 9% of subsidies (11/118 services) require 16 weeks' notice and could terminate on 13th June 2016, assuming notice was served on 22nd February 2016. These are services operated by Oxfordshire County Council.
- 9% of subsidies (11/118 services) will expire naturally on or before the 31st March 2016.

Annex E shows which routes fall into each category.

Allocation of one-off, pump-prime funding

The Cabinet is RECOMMENDED to:

(e) Allocate (from the efficiency reserve) £500k of one-off, pump-prime funding for groups to bid for, in order to set-up community transport initiatives which meet an identified transport need in their area
Exploring a new approach to Transport

The Cabinet is RECOMMENDED to:

(f) Approve the suggested implementation approach, including the request to explore the option of undertaking a larger scale commissioning exercise which includes a range of supported transport services, in addition to subsidised bus services.

N.B. Depending on the cabinet’s decision on whether to withdraw all bus subsidies, this commissioning exercise will either include the remainder of the subsidy budget, or exclude it if cabinet decides to withdraw all funding.
