The Cabinet's Forward Plan: Introduction

This Forward Plan outlines the decisions which are expected to be made over the coming four-month period by or on behalf of the County Council's Cabinet. **NB Also included, for ease of reference, are items for the current month.**

The Plan is arranged in Committee date order, Cabinet or Delegated Decision by Cabinet Member. (The members and their portfolios are listed via a link on the next page.) Each entry briefly describes the subject and scope of the decision; indicates the "target date" on which the decision is expected to be taken and by whom (eg whether the full Cabinet or an individual Cabinet Member); what documents (normally a report by an officer) are expected to be considered; and contact details for the officer(s) dealing with the matter. The Annex is in Cabinet Member portfolio order.

Where consultation is being carried out prior to the decision being taken, the principal consultees are specified. The method of consultation will normally be by letter or – where the views of the wider public are to be sought – by press coverage, supplemented by local notices if the decision affects a particular area. Other methods, such as exhibitions, opinion surveys, community forums etc, may be used to supplement these.

The lists include any "key decisions" - those which are "significant" under the terms of government regulations. In general, a key decision may not be taken unless notice of it has been included in the Forward Plan. More detailed information on what is a key decision can be found in the Council's Constitution on the Council's website.¹ This can also be inspected at County Hall.

However, the Council has decided that Oxfordshire's Forward Plan should include all those matters which are expected to come before the Cabinet in the period of the Plan, whether or not they may give rise to key decisions.

If any key decisions are expected to be taken by officers within the Plan period under powers delegated by the Cabinet, these are included in the Plan.

Unless of a confidential nature, reports and other documents for any meeting can be inspected, from approximately a week before the meeting, at County Hall and online². Copies can be supplied on request, at a charge to cover copying costs.

Access to Information Procedure Rules Paragraph 15 General Exception

Notice is hereby given that the item set out below for consideration at Delegated Decisions by Cabinet Member for Adults on 14 July 2026 is not in the Forward Plan.

Delegated Decisions by Cabinet Member for Adults, 14 July 2026

Learning Disability and Autism Supported Living - further contract extension and replacement contract procurement

Previously agreed: In October 2025, the Council agreed to extend the Brandon Trust contracts and to procure two replacement contracts through the Live Well Supported Services Framework. This was to keep support in place while new long-term contracts were arranged.

The procurement process for Lot 1 and Lot 2 did not result in a successful contract award. The Council therefore needs to run a further tender process for those two lots. Lots 4, 8 and 9 do not need to be tendered again, but their transfer dates need to align with Lots 1 and 2 so the overall transition is coordinated.

A further 44-day extension, from 14 September 2026 to 27 October 2026, will keep support in place while the new tender process and mobilisation arrangements are completed. This reduces the risk of disruption for people receiving support, their families, staff and providers.
