Consultation

11. Evidence of the consultation before the proposals were published including—

- (a) a list of persons who were consulted;

- (c) the views of the persons consulted;
- (d) a statement to the effect that all applicable statutory requirements in relation to the proposals to consult were complied with; and
- (e) copies of all consultation documents and a statement on how these documents were made available.

- Persons consulted: the governing body and staff of Wolvercote Primary School, all Partnership primary schools, parents / guardians of Wolvercote Primary School pupils, the local MP, relevant District and County Councillors, trade union representatives, Church of England and Catholic Dioceses, members of the School Organisation Stakeholder Group and all local registered childcare providers plus the wider community via libraries and Early Intervention Hub.
- A parents' meeting was held at the school to answer questions from parents with a member of county council staff present with the Headteacher. The following points were discussed and responded to:
 - Query as to the location and design of the new accommodation, should the proposal be approved.
 - Discussion of how the expansion would be managed.
 - Query about whether additional parental car parking facilities would be provided.
- 27 responses to the consultation were received. 19 respondents supported the proposal in principle. 4 respondents opposed the proposal in principle, while 4 were neutral or undecided. The reasons given for supporting the proposal were:
 - Need for additional pupil places in the Wolvercote area, to prevent local children having to travel elsewhere.
 - This is a good school, and more children should have the opportunity to be taught there.
 - Benefit in resourcing for the school if it were to expand.

The concerns raised by respondents were:

- Traffic and parking concerns.
- Concern over sufficiency of playing field space.
- Concern that 1.5fe would not be large enough, and that the school should be expanded to 2fe
- Concern that the leadership team of the school may find managing a larger school challenging
- Opinion that a new school should be built in Lower Wolvercote instead of expanding the existing school. This related to a concern that children who are not "local" would be allocated places at the school.
- One respondent expressed concern over noise and pollution

from the nearby railway line.

- All applicable statutory requirements in relation to the proposals to consult were complied with.
- All consultation documents were made available through the OCC website and are still available to view at <http://myconsultations.oxfordshire.gov.uk> under the original public consultation section for Wolvercote Primary School which ran from 16 January to 16 March 2013. The original consultation leaflet was delivered to the school, which circulated it to all parents, staff and governors and local community hubs such as shops and pubs in Wolvercote and the village hall. It was posted at libraries, linked to on the school's website, and sent to all local childcare providers, Early Intervention Hub and given to relevant councillors and the local MP.

The cost of the required work will initially be funded by Oxfordshire County Council. It is expected that future S106 developer funding contributions would be sought from housing developments planned in the area, and allocated to this proposed project retrospectively.

13. A copy of confirmation from the Secretary of State, local education authority and the Learning and Skills Council for England (as the case may be) that funds will be made available (including costs to cover any necessary site purchase).

The need to provide additional pupil places at Wolvercote Primary School was an identified 'Basic Need' priority considered as part of the council's Service & Resource Planning Process in October 2012. Additional resources of £13m were approved by the council in February 2013 as part of the 2013/14 to 2016/17 requirement to meet additional pupil provision
