

QUESTIONS WITH NOTICE FROM MEMBERS OF THE PUBLIC

Mr Clive Hill to Councillor Judith Heathcoat

Following the Chipping Norton Hospital Action Group's survey, the results of which we would like to hand over to OCC for its own evaluation, will OCC now take the views expressed by over 1300 people in the community into account and give consideration to including Chipping Norton War Memorial Community Hospital in the countywide review to be conducted in 2016?

Answer

As with all consultations the Council undertakes, the views of all those in the community who respond will be conscientiously considered.
