Council Vision

COUNCIL VISION

The vision for the Council is a Thriving Oxfordshire for Everyone, where:

- Every community thrives, and everyone can play an active part
- Everyone leads safe, healthy lives while people with the greatest need are cared for so:
 - older and disabled people can live independently
 - every child has the best start in life
 - everyone is protected from abuse or neglect
- A strong and thriving economy creates jobs and homes for the future, where the environment and quality of life for Oxfordshire communities is protected.

We will achieve this by:

- Putting residents at the heart of everything we do
- Understanding the strengths and needs of each community, so we can help them to help themselves
- Working closely with elected members and empowering our staff to make a real difference to people's lives
- Continually looking for new ways to improve services and reduce costs
- Working with people, communities and other organisations as one, joined up council
- Fighting for Oxfordshire to secure investment in public services and infrastructure
- Making dealing with the council simpler, with better use of digital technology
