Introduction

1. In February 2018, Council agreed to set aside £945,000 in 2018/19 and 2019/20 for a Councillor Priority Fund.

2. This is part of our commitment to supporting local communities across Oxfordshire, building on last year’s Communities Fund and the successes and lessons learnt of administering that fund.

Approach

3. Each Councillor will be awarded a Councillor Priority Fund Budget of £15k per annum for 2018/19 and 2019/20.

4. Councillors wish to use their budgets with maximum flexibility. To ensure spending falls within the Council’s governance criteria (both financial and constitutional) the following single, very broad, criteria is suggested:

   ‘Councillor Priority Fund must be spent on projects or services which meet a recognised community need and pump prime, rather than fund an on-going commitment, for that activity.’

5. In previous years, councillors could fund highways maintenance schemes through the Area Stewards Fund. Councillors could choose to use some or all of the new Councillor Priority Fund for highways improvements (in agreement with and via the Group Manager Area Operations).

6. Councillors can choose how they spend their funds across internal service provision and external grant applications. Councillors are encouraged to share their priorities with external organisations to prevent disappointment if using all their budget on internal services.

7. Councillors are encouraged to pool resources at the Locality level to address priorities in a sustainable way.

8. Organisations can submit bids for decision throughout the year on a rolling basis until 31 January 2020.
Governance

9. Councilors will recommend the projects to fund, and officers will enact their decision under officers’ delegated powers. In the unlikely event that any concerns or problems are identified, the matter will be escalated to the relevant Cabinet member for decision.

10. Officers will ensure that each organisation and project fits the published criteria, the types of organisations that can apply and the types of organisations and projects that are not eligible to apply for funding as set out in Annex 1.

11. Funding can be awarded across both financial years with commitments into 2019/20, however payment will be made for each separate financial year subject to satisfactory monitoring of the first year.

Process

12. To ensure flexibility and minimise paperwork there will be two processes:
   (a) Organisations wanting to apply for grant funding
   (b) Councilors allocating funds to enhance internal service provision i.e. highways.

13. The process for organisations wanting to apply for grant funding is set out in the attached guidance at Annex 1 and application form at Annex 2.

14. The process for councillors to allocate funds to internal service provision is set out at Annex 3.

15. Unlike the previous Communities Fund allocation, the new Councillor Priority Fund will be managed through a single point of contact in the Policy Team. Applications will be accepted at any point throughout the year up to the last submission date of 31 January 2020.

16. Applicants, along with their local county councillor, will be notified by e-mail of the decision within 14 working days.

17. Applicants awarded grants £5,000 and over will be expected to sign a funding agreement.

18. Successful applicants will be expected to comply fully with any monitoring requests from the council and signing of the application form at Annex 2 and/or funding agreement will be viewed as acceptance of these requests.

19. Any unspent grant funding at the end of the stated project period will be recovered by the county council in line with the monitoring requirements.
Communications

20. Officers will make the guidance, application and contact details available on the internet along with details of how to contact their local councillor.

21. Councillors will be encouraged to manage their own communications regarding their preference for allocations of the funds i.e. internally or community grant applications.

22. Councillors will be provided with updates on their spending on request.

23. An end of year report will be made available to all councillors.

Key Dates

24. The fund is proposed to launch following Cabinet decision on the 17 April 2018.

25. The final deadline for applications will be 31 January 2020.

Financial and Staff Implications

26. The £945,000 per annum Councillor Priority Fund is for 2018/19 and 2019/20 and must be spent by the end of the financial year 2019/20.

27. Any unspent funds at the end of 2018/19 will be rolled forward into 2019/20. Councillors can choose to allocate both years funding in the second year, thereby having £30k to spend on a larger project.

28. The £945,000 will be accounted for separately and reported via the Financial Monitoring and Business Strategy delivery report and an end of year report.

29. The grant scheme will be managed by Sarah Jelley in accordance with the financial regulations.

30. In line with the General Data Protection Regulation (GDPR) requirements grant awards will be published annually.

Equalities Implications

31. Councillors will need to be mindful of equalities in determining how the funding should be allocated.
RECOMMENDATION

32. The Cabinet is RECOMMENDED to:
   (a) Approve the governance arrangements under officers’ delegated powers.
   (b) Approve the Councillor Priority Fund Guidance Notes
   (c) Approve the Councillor Priority Fund Funding Request Form
   (d) Approve the process for Allocation of Funding to Internal Services.

Guidance Notes

April 2018

Background

In February 2018, Council agreed to set aside £945,000 in 2018/19 and 2019/20 for a Councillor Priority Fund.

Further details about the council’s decision are available here.

This is part of our commitment to supporting local communities across Oxfordshire, building on last year’s Communities Fund and the successes and lessons learnt of administering that fund.

Our Approach

The purpose of this Councillor Priority Fund is to support councillor priorities in their areas. It is for each councillor to decide how their allocation should be spent; with each area of Oxfordshire being different it’s important that county councillors have the flexibility to allocate the money in the best way.

You should discuss your proposal at an early stage with your county councillor and seek their support for your proposal.

You can use the postcode search on www.writetothem.com to find your local councillor. Further information about contacting your local councillor is available on the Council’s website.

If your project impacts a wider area, you can put through a joint bid supported by multiple councillors.

Please read carefully the guidance notes below to make sure your organisation and project meet the grant scheme’s eligibility criteria.

What do we fund?

- We will only fund specific projects with clearly defined costs and timescales.
- Projects must benefit Oxfordshire communities, be inclusive and provide good value for money.
- Types of activities we fund include: village hall refurbishment, purchasing of equipment, community activities open to all, play equipment for playgrounds.

What don't we fund?

Organisations:

- Individuals or sole traders
- Profit-making organisations
- Organisations not established in the UK
- Organisations that give funds to other charities, individuals or other organisations

Projects:

- Projects that duplicate an already existing service
- Activities which a statutory body is responsible for
- Activities with a religious or political purpose
- Holidays, trips or overseas travel
- Activities that contradict or act against any of the Council’s agreed policies such as Equality and Safer Recruitment, or fail to comply with all the other relevant statutory requirements, such as health and safety legislation
