

## Summary (3 / 4)

### SUMMARY

#### Service user journey

#### Antenatal care:

- The quality of care received at the antenatal stage of the journey is generally rated highly by service users (receiving a net satisfaction score of 78%) and this is consistent across different council areas
- Parking availability and choice of location receive low rating scores (-8% and 21% net satisfaction scores respectively)
- The Horton is being used for routine antenatal care by Cherwell residents; for example, 42% of Cherwell residents that had a hospital appointment with a consultant attended the Horton for the appointment

#### Labour & Birth:

- Nearly half, 47%, of service users were moved during their labour and half of service users identified at least one incident during their labour, with a shortage of staff and parking difficulties occurring most often
- Cleanliness (net satisfaction score 77%) and staff competence (net satisfaction score 72%) are scored highly whereas staff availability (net satisfaction score 40%), continuity of care (net satisfaction score 38%) and parking practicalities (net satisfaction score 19% for availability and -16% for cost) are rated poorly by service users

#### Postnatal care:

- Service users rated cleanliness and hygiene highly (net satisfaction score 74%) in postnatal care, but were least satisfied with the continuity of care (net satisfaction score 20%) and emotional support received (30%)

# The quality of antenatal care is highly rated by service users. Cherwell is particularly well-regarded for continuity of antenatal care

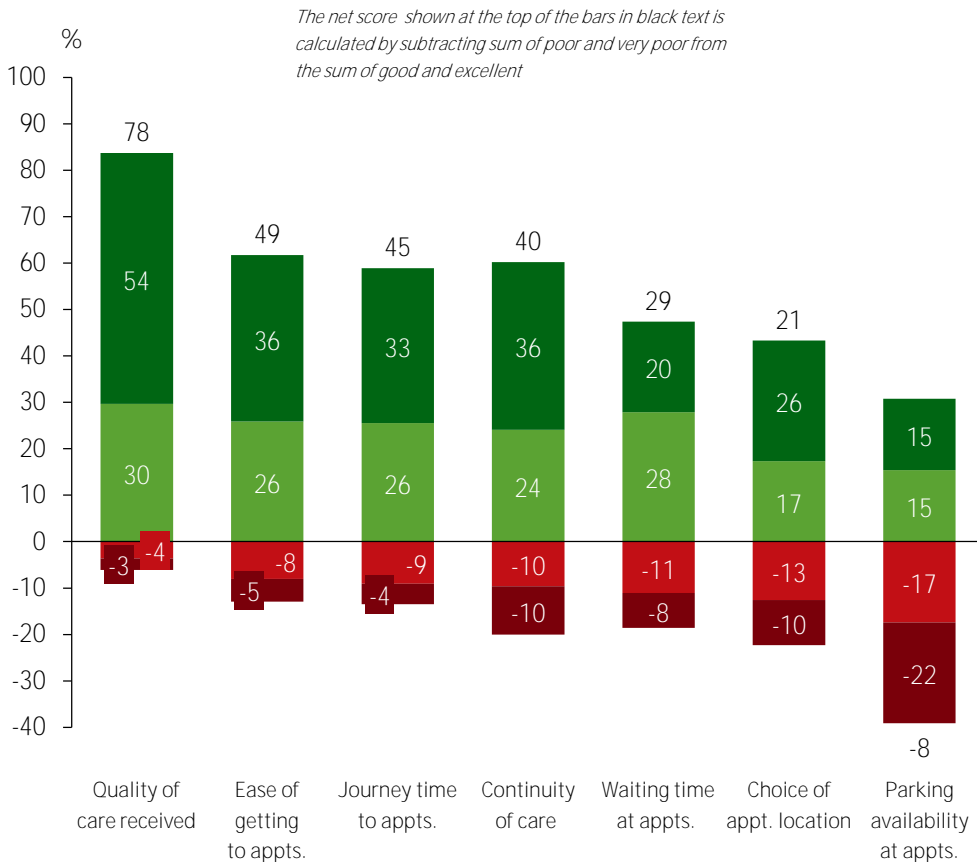

## JOURNEY | ANTENATAL CARE | RATINGS

Very Poor Poor Good Excellent

Q. Thinking about your experience of antenatal care during your most recent pregnancy, please rate each of the following

Base: All service users (1,013)

When asked about their postnatal experiences, residents of all council areas disagreed that it was easy for visitors to park and for other children to visit. Cherwell and South Northamptonshire residents reported significantly less satisfaction with ease of visitor travel
