

## **Addendum for Planning and Regulation Committee 28<sup>th</sup> February 2022**

Report by the Assistant Director of Strategic Infrastructure and Planning (PN7)  
(Agenda Item 7 (pages 69 to 102))

Paragraph 4 – it is stated in the report that “*The quarry is divided into three phases of working, with current extraction operations within Phase 1. The site has phased working and restoration to an agriculture after-use and areas of geological interest to be left to the north, east and south faces of the quarry area, closest to Wicklesham Quarry.*” This should read “The quarry is divided into three phases of working, with current extraction operations within Phase 1. The site has phased working and restoration to an agriculture after-use and areas of geological interest to be left to the north, east and south faces of the quarry area, closest to Wicklesham Quarry, which is also the location of the Wicklesham and Coxwell Pits Site of Special Scientific Interest (SSSI).”

Paragraph 11 – it is stated in the report that “*Application P16/V2331/CM (MW.0117/16) was submitted August 2018.*” This should read “Application P16/V2331/CM (MW.0117/16) was submitted August 2016.”
