

**ACTIONS FROM THE 25 NOVEMBER 2021 HOSC MEETING**  
**Addenda**

Item	Action	Lead	Progress update
Cllr Barrow's infection control report	Oxfordshire County Council (OCC), through its adult services, should hold regular discussions with OACP, OCHA on how locally we can maximise the advice from online sources beginning with the Bushproof and Department of Health documents.	Karen Fuller, OCC	OCC are in regular conversations with both OACP and OCHA to ensure that we maximise all sources of advice and guidance which is cascaded to providers via multiple channels/networks accordingly. This includes any changes in guidance and regulations. Guidance is taken from the Department of Health and Social and the UK Health security agency (UKHSA) <b>Action completed</b>
Cllr Barrow's infection control report	OCC carries out a regular review of current infection control procedures in care homes and the support provided.	Karen Fuller, OCC	This is built into our routine procedures in relation to infection control and monitoring outbreaks. OCC works in partnership with Oxford Health care home support service, CQC and UKHSA. <b>Action completed</b>
