Dear Stephen

This letter of representations is provided in connection with your audit of the Council financial statements of Oxfordshire County Council (“the council”) for the year ended 31 March 2023. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the Council financial statements give a true and fair view of (or ‘present fairly, in all material respects,’) the council financial position of Oxfordshire County Council as of 31 March 2023 and of its financial performance (or operations) and its cash flows for the year then ended in accordance with, for the the Council, CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2022/23 (as amended by the Update to the Code and Specifications for Future Codes for Infrastructure Assets (November 2022)).

We understand that the purpose of your audit of our Council financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing (UK), which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist. Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

5. There have been no significant errors or misstatements, or changes in accounting policies, other than the matters described above, that would require a restatement of the comparative amounts in the current year's Council financial statements. Other differences in the amounts shown as comparative amounts from the amounts in the Council financial statements for the year ended 31 March 2023 are solely the result of reclassifications for comparative purposes.
