

DELEGATED DECISIONS BY CABINET MEMBER FOR TRANSPORT MANAGEMENT – 23 JANUARY 2025

ITEM 2 – QUESTIONS FROM COUNTY COUNCILLORS

<p>1. COUNCILLOR MARK CHERRY</p> <p>Would the Cabinet Member for Transport Management, Councillor Andrew Gant, please update me, as the local member for Banbury Ruscote, on the timeline for survey work into a one-way system for Queens Road? As I understand from talking to Queens Road residents, a serious incident occurred a few weeks ago in 2025 involving two cars that met at the same time, and this turned into a violent situation. Residents have had surveys, but from the 18 months when I first wrote a Cabinet question on the need for some kind of one-way system on Queens Road. I'm still in the dark about where we are and this needs to be move forward so I can liaise with local residence on what is exactly the plans for this road.</p>	<p>COUNCILLOR ANDREW GANT, CABINET MEMBER FOR TRANSPORT MANAGEMENT</p> <p>Thank you for raising this issue again. Officers in our Planning Place North and Traffic & Road Safety teams will work together in the new financial year to undertake further assessments and look at the feasibility. As part of the assessment, the priority of the need will be considered and included within the teams work programmes as appropriate. Jacqui Cox (Place Planning Manager – North) will keep you informed of the project's relative priority and progress.</p>
