

## Overview & Scrutiny Recommendation Response Pro forma

*Under section 9FE of the Local Government Act 2000, Overview and Scrutiny Committees must require the Cabinet or local authority to respond to a report or recommendations made thereto by an Overview and Scrutiny Committee. Such a response must be provided within two months from the date on which it is requested<sup>1</sup> and, if the report or recommendations in questions were published, the response also must be so.*

*This template provides a structure which respondents are encouraged to use. However, respondents are welcome to depart from the suggested structure provided the same information is included in a response. The usual way to publish a response is to include it in the agenda of a meeting of the body to which the report or recommendations were addressed.*
